Dear Mr. Miller,

I hope this message finds you well.

The Department of Planning and Building (Department) is in receipt of your appeal dated May 15, 2025. After careful review of the appeal's basis, I am writing to inform you that the appeal has been rejected.

While we acknowledge the points you raised, the Department has determined that the request does not meet the criteria for consideration by the Building Appeals Board. Pursuant to County Code Title 19.01.050, only "determinations made by the Chief Building Official related to the application and interpretation of this code" may be heard by the Building Appeals Board. In this case, no basis has been identified that pertains to the application or interpretation of the code.

If you have any further questions, please do not hesitate to contact the Department of Planning and Building at (805) 781-5600.
